YACHT SERVICES

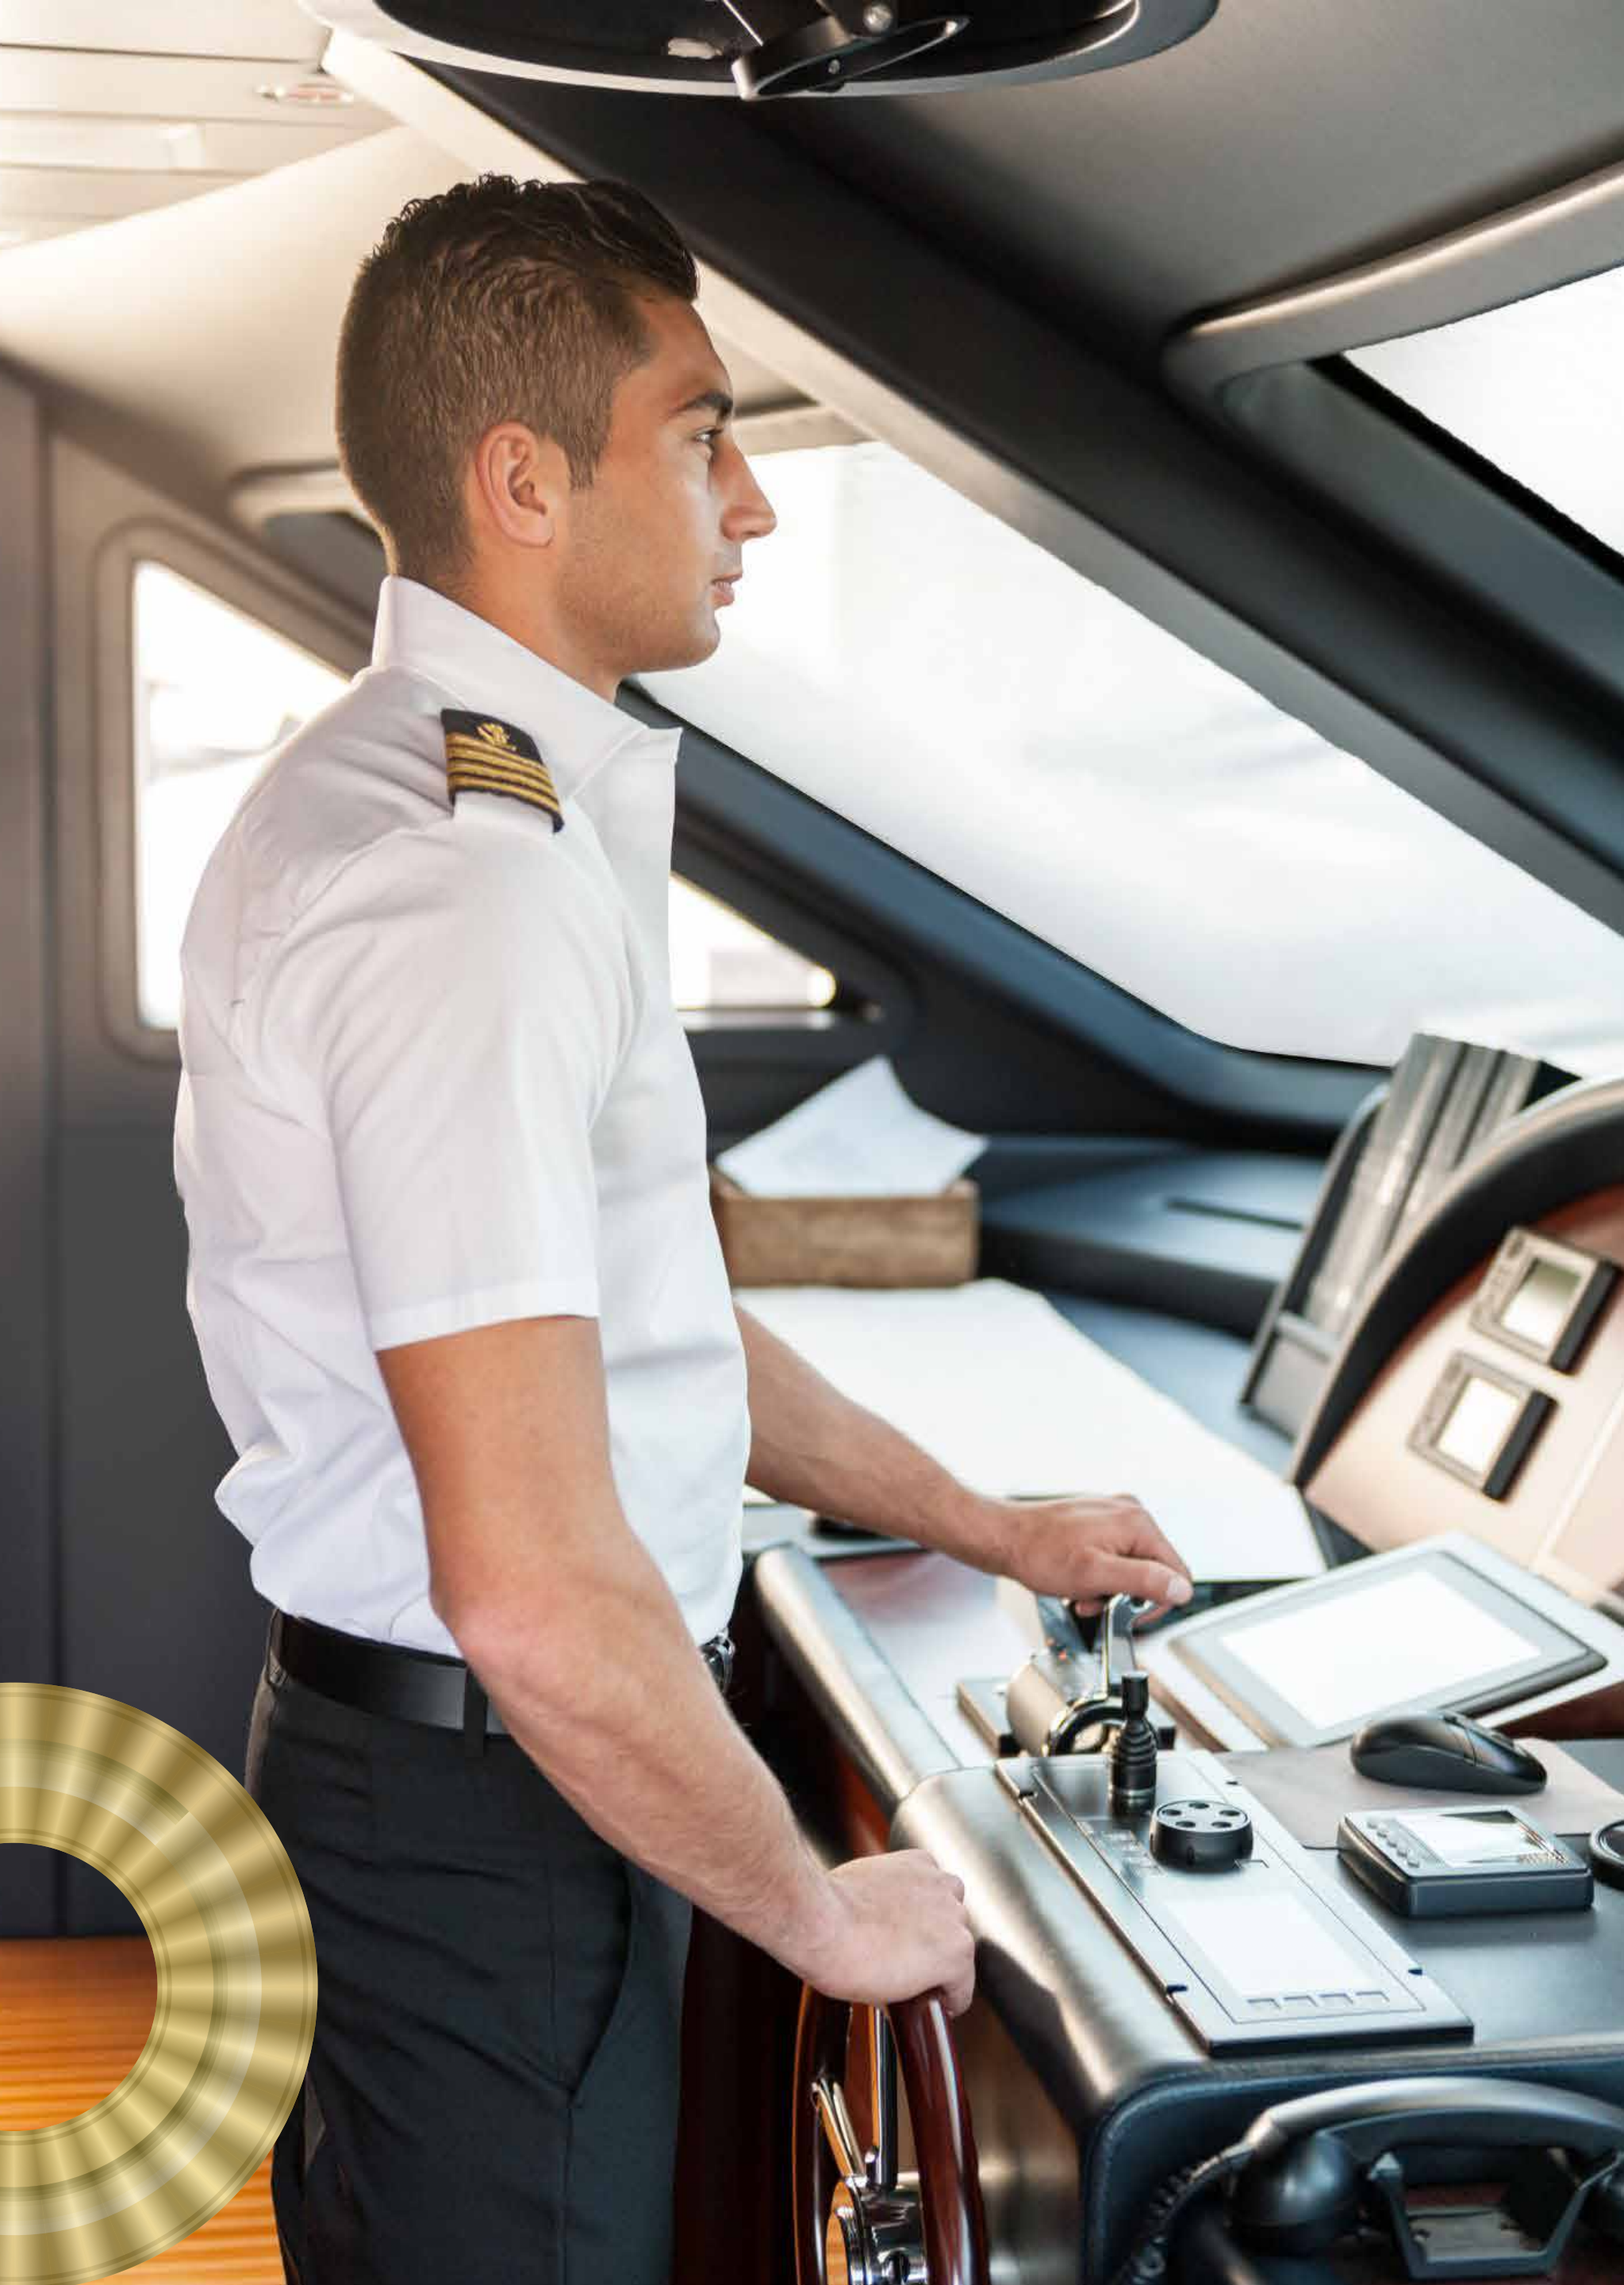

ABOUT US

Multi Marine Services

As per our customers words, MMS is synonymous with dedication, reliability and trust. We have been operating in Italian ports for over 30 years and ever since our foundation, our aim has always been building an expert team, able to look into our clients needs and foremost satisfy their every requirements. For this reason, timing arrangements, quick feedbacks and tailored solutions are the main elements of the services we offer, what makes us different on the market.

We always make sure captains get the best possible experience out of their stay and we are proud to offer them the most complete set of services with our knowledge and expertise.

ASSISTANCE TO CAPTAINS

Being a yacht captain implies a 24/7 effort, professional attitude and dedication, but foremost great responsibilities in managing all the aspects related to the vessel, crew and guests.

That is why we are committed to offer our total assistance helping you to ease your daily duties as our first priority.

HERE WHAT WE CAN DO FOR YOU:

- Berth reservations, arrival and departure formalities
- Bunkering arrangements, cash declarations and cash delivery
- Crew embarkation and disembarking formalities including visa
- Arrangements
- Crew travel and personal assistance
- Concierge service (laundry service, car rental and transfer services, medical and health care, beauty and wellness, bookings and reservations, event management, travel experiences, etc.)

FOOD & BEVERAGE

- Freshest and finest local products
- Top quality suppliers
- Exclusive meat selections
- Fresh fish selections
- Local traditional cuisine
- Drinks and spirits
- International wines and champagne

SERVICES TO GUEST

Thanks to our experience made in over 30 years of activity and to our 24/7 availability, all additional services and guests requests can be arranged for the best on and off board experiences.

As we understand that guests necessities are top priority for yachts, attention to details and highly skilled personnel are daily committed to captains in order to help them offering a flawless service.

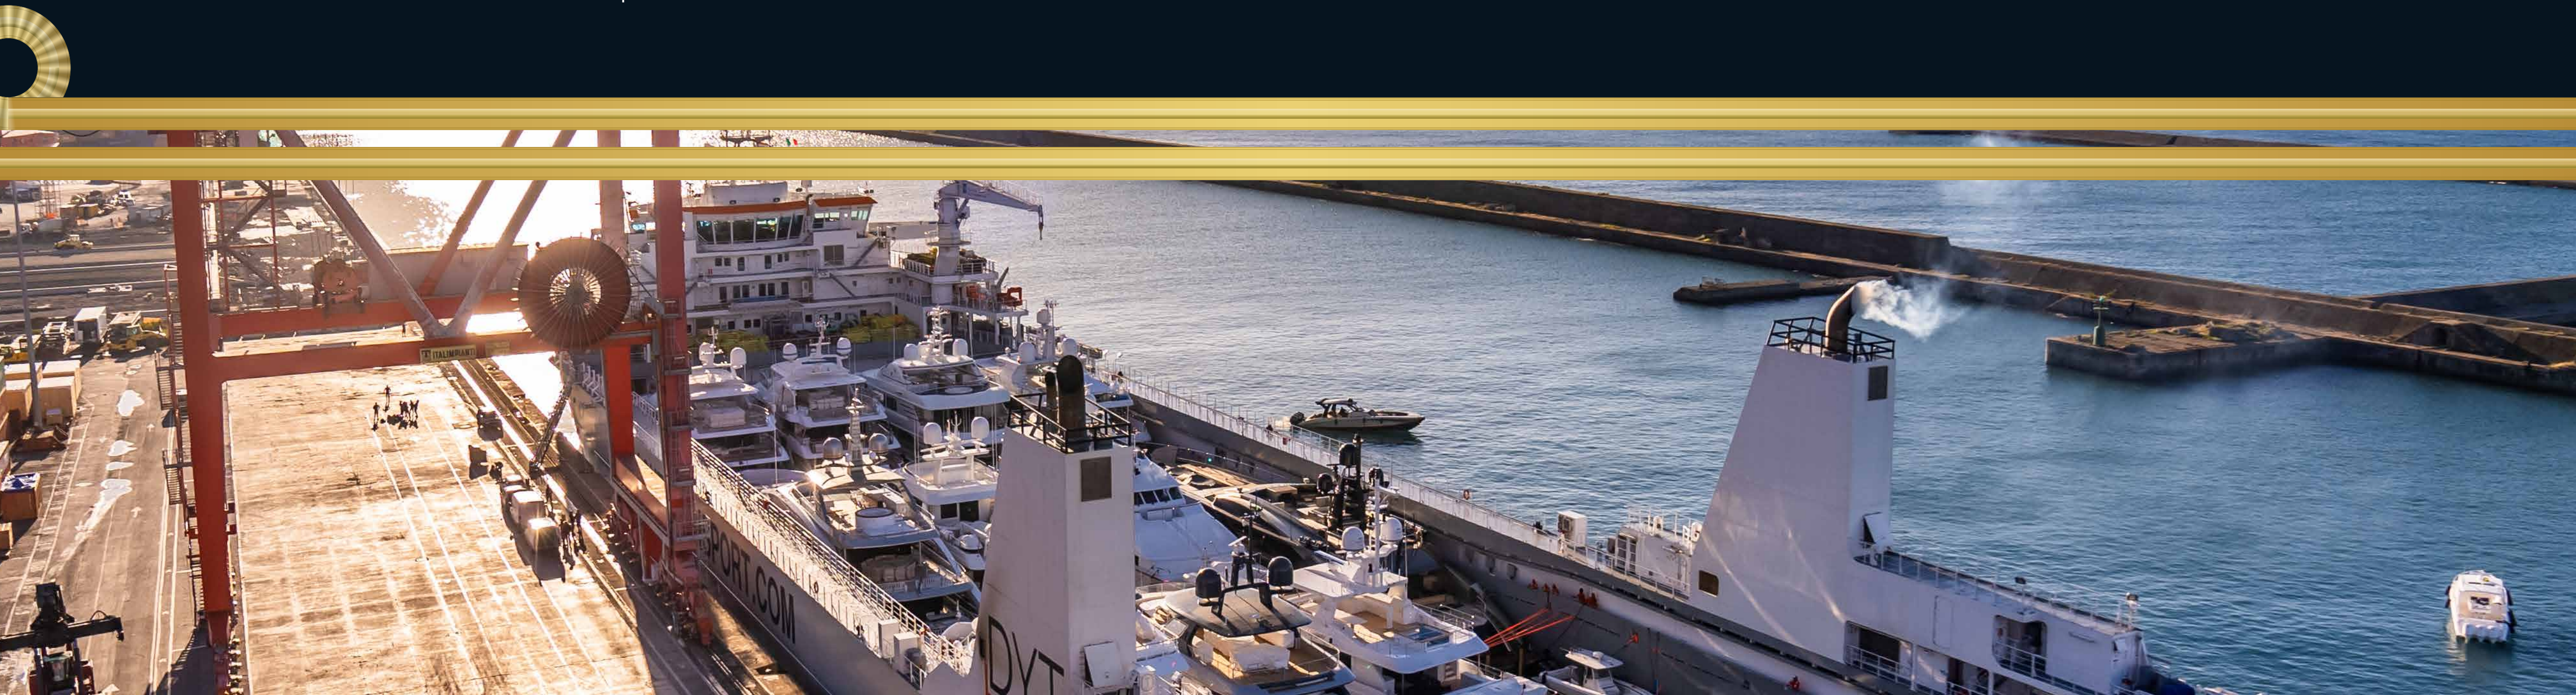

TECHNICAL SUPPORT
